

# CASE STUDY

## **BROCKET HALL GOLF CLUB** **Palmerston Course, Nr Welwyn, Herts**

Project:	Irrigation Reservoir
Client:	J & E Ely Golf Course Contractors
Contract Supervisors:	Donald Steel & Co
Design By:	White Horse Contractors Limited
Contract Value	£80K

White Horse Contractors carried out all survey work, design and working-drawing production for this 5.5-million gallon irrigation reservoir, complete with wetland habitats and margins.

Construction involved the use of White Horse Contractors' own earthmoving plant to create a 3.5-m high retaining bund.

The reservoir was artificially lined and topsoil was replaced over the margins and wetland habitats.
