

## CASE STUDY

### MORECAMBE FC, STADIUM PITCH

Project: Construction of new stadium pitch complete with automatic irrigation.

Client: Globe Construction

Contract Supervisors: White Horse Contractors Limited

Design: STRI

Contract Value £ 195,000.00

The brand new facility replaced the Shrimps long time home "Old Christie Park". White Horse Northern were contracted to construct the new 7600m<sup>2</sup> pitch. The specification called for a crowned formation, comprehensive drainage, gravel carpet and an imported root zone layer. A new fully automatic irrigation system was also installed.
